

Dear NEMO Colleagues,

On 24 November 2023 All NEMO Committee announced that the NEMOs cooperating within the Single day-ahead coupling (SDAC) are launching a coordinated consultation, related to the potential removal of the so-called Second Auctions:

<https://www.nemo-committee.eu/public-consultations/open-public-consultation-on-the-potential-removal-of-the-so-called-second-auctions>

Please note that Baltic National Energy Regulatory Authorities (NRAs) already provided their position with a joint letter regarding the discussions on the abolishment of the book reopening procedure and on the threshold for triggering book reopening, sent on 20th June 2023 No R2-(DR)-4868. Please find this previous letter attached.

Thus, regarding the public consultation, we would like to inform you that Baltic NRAs position have not changed.

With Best Wishes,

**Ignas Kazakevicius**

Acting Director of Gas and Electricity Department,

Head of Wholesale Market Division
