**SUBJECT: SUBMISSION OF NEMO METHODOLOGIES PROPOSALS**

Dear ACER Director, NRAs representatives,

I am writing to you on behalf of all NEMOs regarding the updated Products that can be taken into account by NEMOs in single day-ahead coupling in accordance with Article 40 of Commission Regulation (EU) 2015/1222 of 24 July 2015 establishing a guideline on capacity allocation and congestion management.

All NEMOs launched on 8<sup>th</sup> April 2020 a public consultation regarding the updates in the above-mentioned methodology, in line with Article 12 of the CACM. This consultation was held till 15<sup>th</sup> May; due to the unprecedented restrictions caused by the COVID-19, NEMOs prolonged the usual one-month duration of the consultation by one additional week.

After the finalisation of the consultation, the comments received were evaluated and the final version of the mentioned proposal was prepared and approved by all NEMOs. Hereby, the NEMO Committee is submitting these proposals to ACER and NRAs for revision and approval, on behalf of all NEMOs.

This submission comprises the following documents:

- **Products that can be taken into account by NEMOs in single day-ahead coupling:**
  - Clean version: "Products Proposal\_DA\_clean.pdf"
  - Version showing changes: "Products Proposal\_DA\_with changes.pdf"
  - In order to simplify ACER's work on the decision regarding the methodology, we're attaching also both documents in word versions.
- **Evaluation of responses to Public consultation**
  - "Answers\_Public\_Consultation\_DA\_Products.pdf"
  - For working purposes also in word.
- **List of NEMOs contacts**
  - In line with ACER's request, NEMOs are attaching list of contacts in order to identify on whose behalf the relevant proposal is actually submitted and to which specific addressees the decision should be issued.
  - "NEMOs\_submitting\_DA\_Products.pdf"
  - For easier copy-paste of information also excel file is attached.

Please, don't hesitate to come back to us should you need any clarification or additional information.

Yours sincerely,

Cosimo Campidoglio  
NEMO Committee Chairman
