DECISIONS

NEMO GOVERNANCE

- NEMO Committee started with the pilot merged meetings that combine original NEMO Committee meetings, NEMO DA Steering Committee and NEMO ID Steering Committee meetings. Such change was introduced to reflect the new contractual setup as well as ensure efficiency and coordination across NEMO projects.
- Finalisation of the merged All NEMO Cooperation Agreement (ANCA) is ongoing.
- NEMO Committee and all its Observers approved KOSTT's adherence to Global CACM NDA.

REMIT

- NEMO Committee, together with EUROPEX, are continuing clarifications with ACER regarding the REMIT Implementing act, mainly focused on the definition of Organised Market Places (OMPs) and the specific regulation of the dedicated SIDC continuous trading reporting.

MCO INTEGRATION PLAN

- NEMO Committee finalised and submitted the MCO IP proposal on 31st January 2025. NEMOs are also active in clarification process related to MCO IP proposal, organised by ACER.

JOINT GOVERNANCE

- The NEMO vote on the proposed decisions within the agenda of the MCSC meetings was pre-aligned by the All NEMO Committee, which ensured the efficiency of the MCSC meetings.

OPTIMISATION OF DECOUPLING PROCESSES

- ACER held second Workshop dedicated to decoupling processes and suggested the ways of their optimisation. NEMOs have prepared their proposal for the improvements that are further discussed with TSOs and will be presented to ACER in the third Workshop.

METHODOLOGIES

- NEMOs had a public consultation on the updated HMMCP methodologies, a dedicated webinar was held to provide all the details to Stakeholders.

CACM ANNUAL REPORT FOR 2024

- NEMO Committee triggered the work on the preparation of the CACM Annual report and practical steps related to the organisation of the Annual Conference in September, where the report will be presented.

EXTERNAL COMMUNICATION

- NEMOs are actively discussing the improvements of publication of the market data on NEMO Committee website.
